## Scope

The Boat Collection is contained in two boxes. Box 1 has histories, plans, newspaper clippings, magazine articles, memoirs, photographs, and correspondence concerning vessels of the residents, scientific institutions, and men of commerce in Woods Hole. Woods Hole residents sailed for pleasure and raced Cape Cod Knockabouts, Catboats, Sprintsails, Herreshoff 12 1/2s, Herreshoff 30s, and Friendship sloops. Information on these classes as well as individual boats and their owners can be found in the collection. Information is also here on the WHOI boats *Atlantis* and *Crawford*, as well as the MBL boats *Sagitta*, *Vigilant*, and *Loligo*. The *Robert W. Griffin Jr.*, Sam Cahoon's *3 & 1 & 1*, and Oscar Hilton's *Playmate* were all commercial vessels well known in Woods Hole. These boats have files in the box. The *Bartholomew Gosnold*, a whale ship built by the Barneck Company of Woods Hole, is another commercial vessel with a file. The historic vessels *Alice S. Wentworth* and the *Brown, Smith, and Jones* were kept in Woods Hole at one time. The box has files on these two boats as well as the historic *Ernestina*, *Roseway*, the *U. S. Constitution*, and the *Titanic*. Of particular interest in the *Titanic* file is a memoir written by Titanic passenger, John B. Thayer.

Box 2 of the Boat Collection contains the museum's Notable Boat Registry. To be included in the registry, a boat must be interesting, local, and have a good story. The box has two booklets of completed registration forms as well as files with completed registration forms for individual boats. Many of the registration forms are accompanied by the boat's history, drawings of its lines, and photographs. In addition to the Notable Boat Registry, Box 2 contains information on Woods Hole boat builders contributed by Bill Cooper and the Summer 1996 issue of the *Sprintsail* containing articles on the history of the Woods Hole Yacht Club, early days of racing in Woods Hole, and two Woods Hole racers. An interesting piece of ephemera in this box is the 1937 "Cape Cod Boats and Accessories Price List" from the Cape Cod Ship Building Corporation in Wareham, MA.
